You’ll be able to view and purchase one-of-a-kind exquisite pieces by Lao artisans and contribute to life-saving bomb removal, education, and assistance in Laos.

Since the 1990s, Carol Cassidy & Lao Textiles have helped to re-establish the livelihood of many rural women and villages ravaged by the Vietnam-era war and leftover unexploded bombs.

Together, Lao Textiles and Legacies of War, seek to restore safe land and revitalize communities across Laos.

Carol Cassidy is generously donating 40% of sales proceeds to Legacies of War.
